

Akkro-7T - Non re-emulsifiable, high solids, acrylic, liquid admixture for cement. ASTM C1059 Type II. 1 gallon and 5 gallon.

Chemstop WB Heavy Duty - One component VOC compliant, clear penetrating liquid water repellent to protect porous concrete and masonry surfaces. Water based. Complies with ASTM E514. 1 and 5 gallon.

Clearseal WB 150 - Low cost, water-based VOC compliant acrylic curing and sealing compound. Meets C309 Type I and AASHTO M-148 Type I. 1 gallon and 5 gallon containers.

Dehydratine 85 - Emulsified asphalt dampproofing compound fiber reinforced applied by brush or commercial sprayer. 5 gallon buckets.

Dural Fast Set Epoxy Gel- High modulus, rapid set epoxy binder for vertical and overhead patching and grouting. Meets ASTM C881-90 Type I & IV, Grade 3, Class A & B. 22oz dbl barrel tubes.

Dural Fast Set Epoxy LV- High modulus, rapid set epoxy binder for grouting and crack injection. Meets ASTM C881-90 Type I, Grade 1, Class A & B. 22oz dbl barrel tubes.

Horngrout - Non-corrosive, non-shrink, high performance grout for use plastic, fluid or flowable consistencies. 50 lb bags.

Hornweld - Low cost, re-emulsifiable bonding agent to bond old concrete to new concrete. ASTM C1059, Type I. 1 gallon and 5 gallon.

Lusterseal WB 150 - Water based, VOC compliant, non-yellowing acrylic curing and sealing compound which provides a low sheen. 1 and 5 gallon containers.

Lusterseal WB 300 - High-solids, water based, VOC compliant, non-yellowing acrylic curing and sealing compound. ASTM C1315. gallon and 5 gallon containers.

Lusterseal 300- Solvent based acrylic, VOC compliant, non-yellowing high gloss, curing and sealing compound for vertical and horizontal surfaces. ASTM C1315.

Rapid Rock - Pourable, fast setting hydraulic cement compound for anchoring and grouting. 10 lb and 50 lb containers.

Speedcrete Redline - General purpose patching vertical/horizontal/overhead, can be molded during setup. 20lb containers.

Speedplug - Fast setting, hydraulic cement that stops water through masonry and concrete. Expands slightly to seal holes and crevices. 10 lb and 50 lb containers.

Tammspatch - Two component, cementitious repair and patching mortar with long working time and superior durability. 50 lb containers.

Tamoseal (Gray or White)- Brush applied cement based waterproof coatings for cement and masonry, positive or negative sides. 50lb bags.

Thinpatch - Polymer modified, cement based mortar for up to 1" application. 50lb bags and 10lb containers.
